

SPLATTERBROS

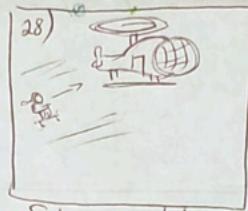

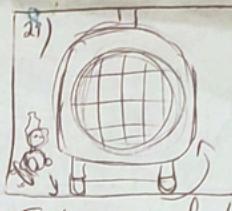

Sideways shot of me flying up in the air

Sideways shot, further wide angle of me going towards helicopter

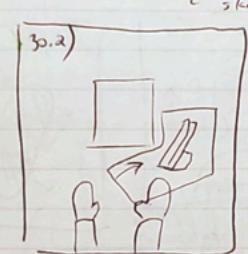

First person front of helicopter as I one hand grab the rail to undrill, kick of the driver out the other door as he takes my skateboard

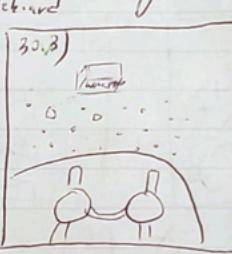

POV as I slip to enter the helicopter door and the driver gets kicked out, grabbing my hand

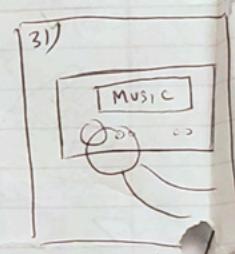

POV shot of driver falling out of helicopter & splat to the ground with Zombies

I place the shotgun onto the other seat, POV if I start flying the plane helicopter

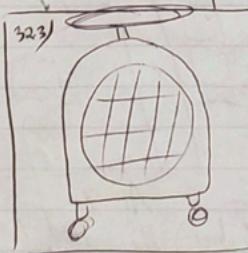

POV as I fly helicopter, WILFARTE far in the distance

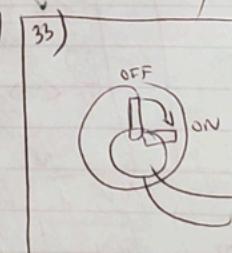

Close Up of the Radio, I juice the Radio On & turn the Volume Up. Then Music Starts playing

I put on some shades as the Music plays

The Camera slowly zooms out as the helicopter flies

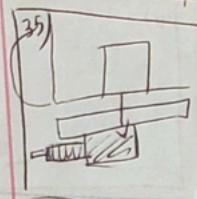

Close Up of Crank, I turn it on

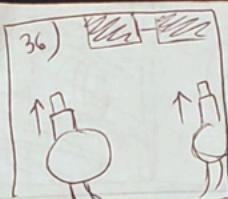

View from under the plane, secret doors open,

I backpedal, looking up & down panicking me now

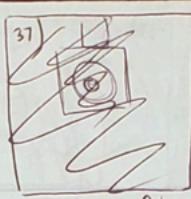

(pull shirt off out to get shot zombies)

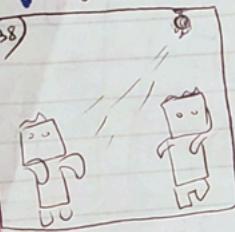

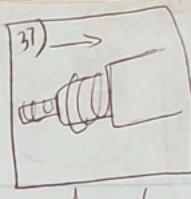

Sideways front angle view of helicopter, from button arrives a machine gun

Close Up of button appearing on contacts I click them with my thumbs

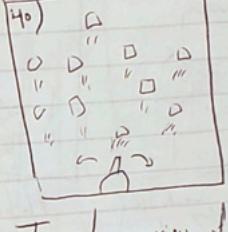

Close up of machine gun slowly turning on and spinning, camera goes from left to right to show it spinning & firing bullets, as well as moving left & right, up down

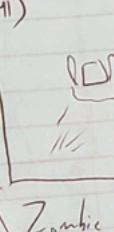

Close wide angle of zombies walking around with helicopter in background firing at zombies, they all exploding to a million pieces

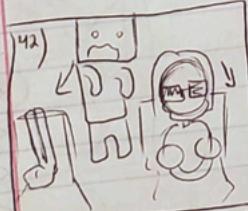

Close up of zombies face being shot at, exploding to a million pieces, blood and his brain, eyeball falls out

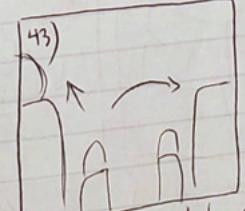

Top down view of all the zombies getting destroyed by the machine gun

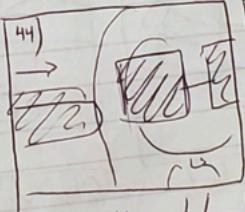

Zombie crawling away on the buzz

Zoom out from 36 to wide angle, then reveal zombie on helicopter

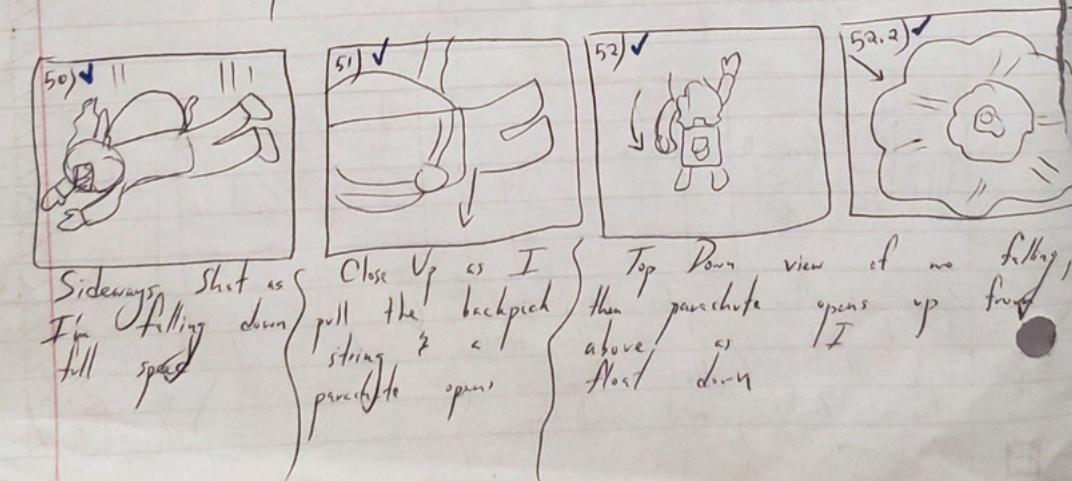

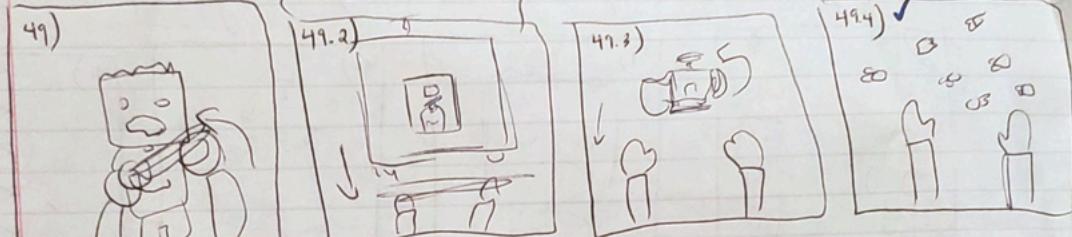

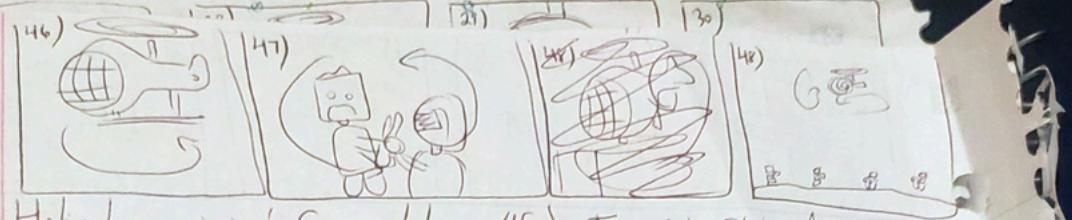

Zombie POV, looks at me, then steals the shotgun and points it at my face

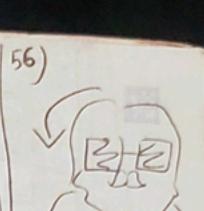

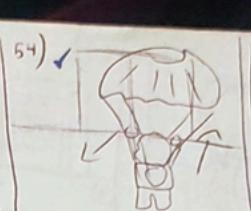

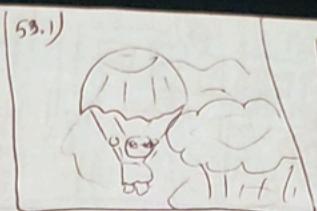

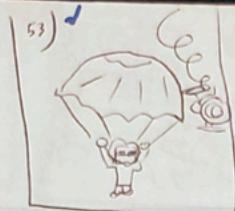

Close Up shot gun

Same shot as 42, now I go reach for the gun & the helicopter spins around

2. death panicking

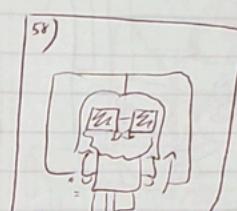

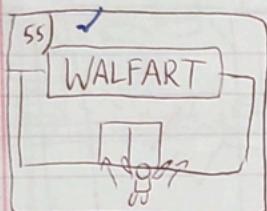

I'm parachuting down & the helicopter is right behind me spiraling faster down

Parachuting down & the helicopter explodes behind me

Shot at me landing down in front of the Walfart & the parachute drops. I look up

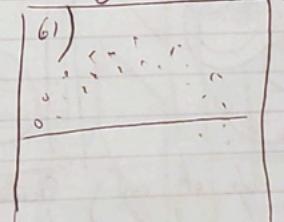

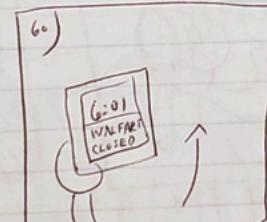

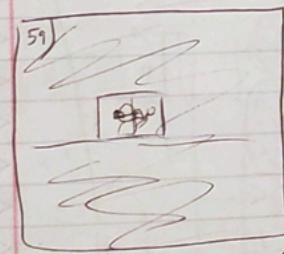

I turn around behind me to see the destruction that happened

Wide shot of Walfart, I'm jumping in happiness from making it here

Zombie body parts every blood, brains, huge explosion mark, everything destroyed

I slowly walk backwards into the Walfart ~~& the doors~~ but the doors don't open. I knock with my hand. I turn around

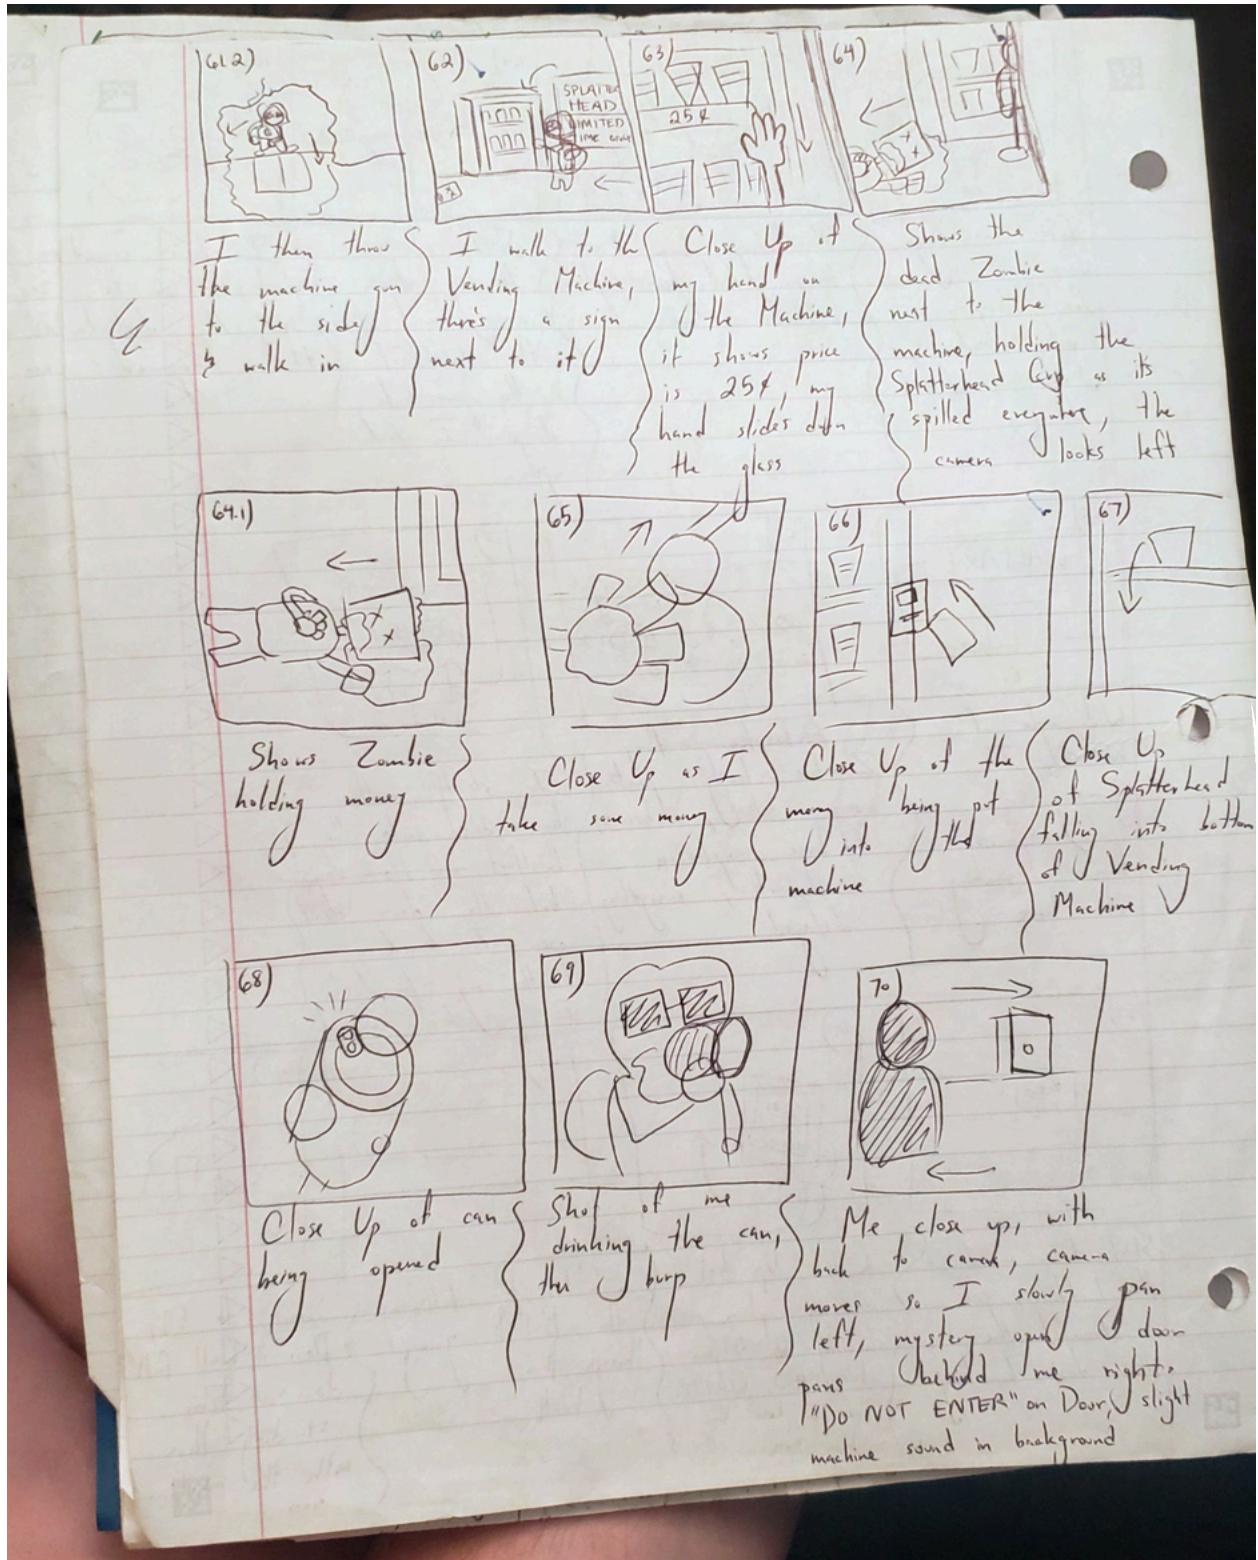

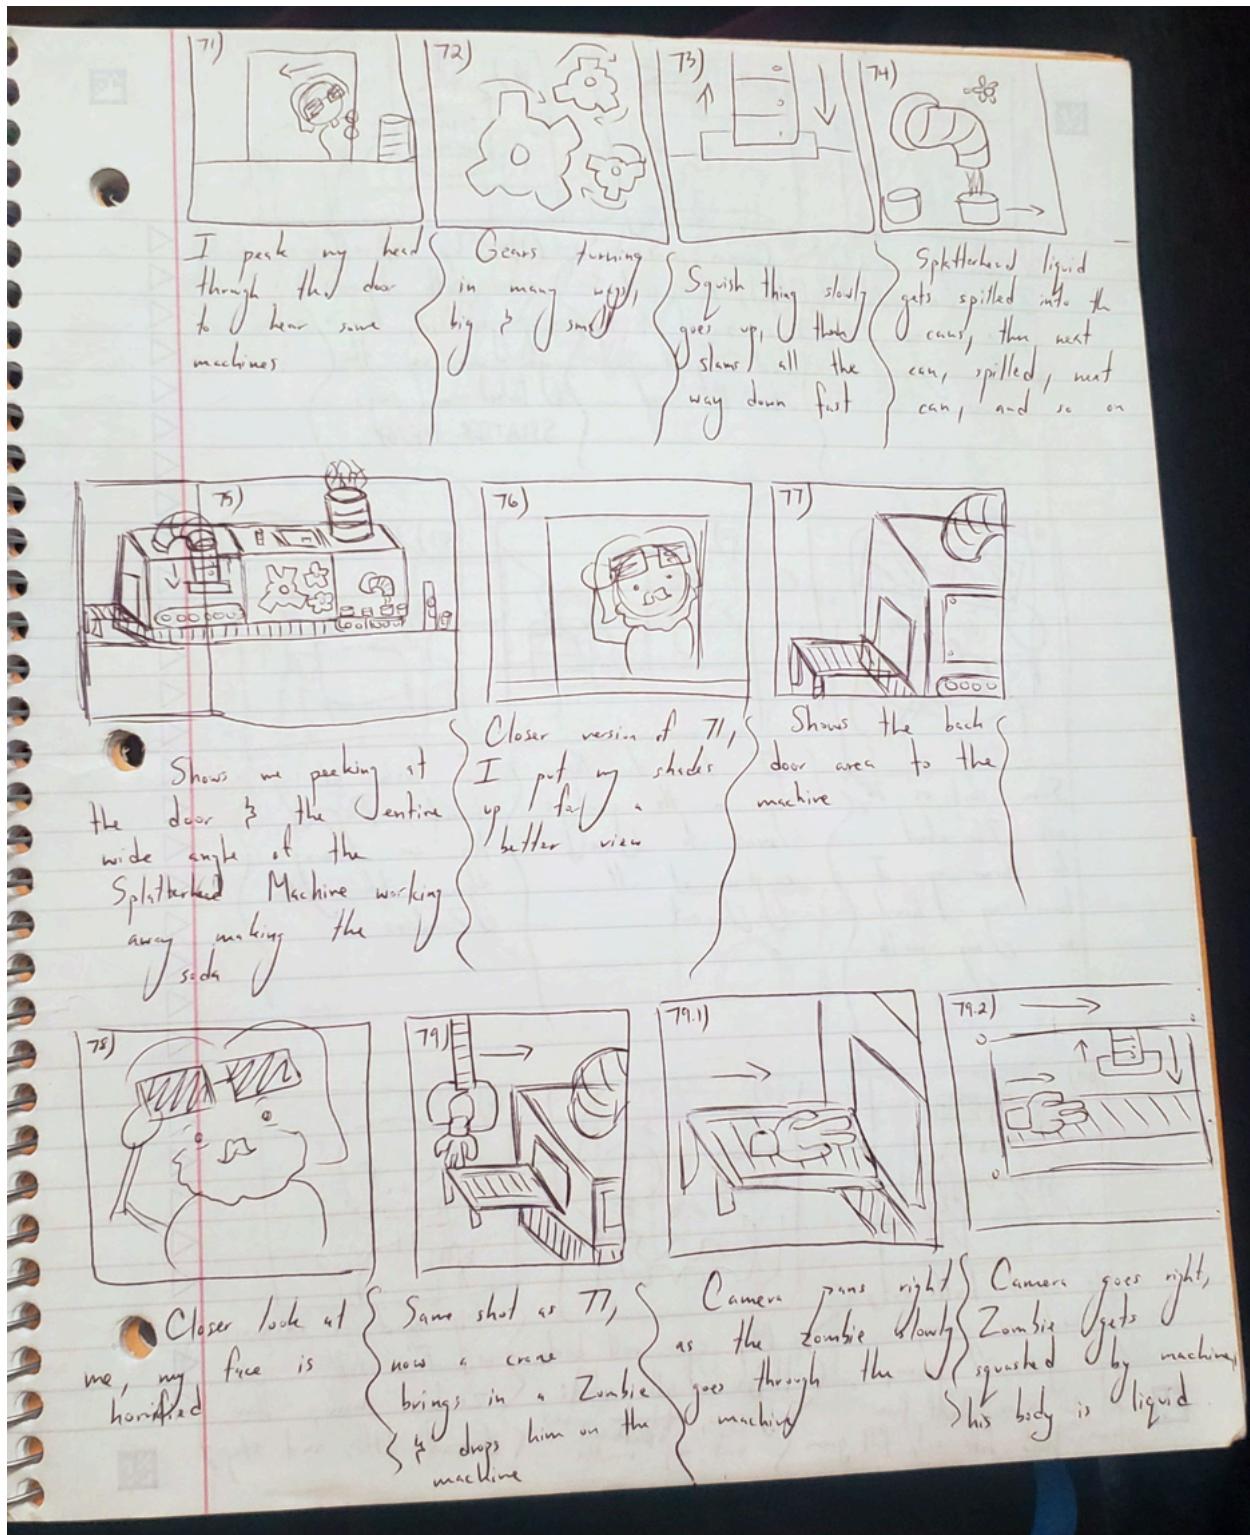

Shot from inside the building, see me from the glass door knocking

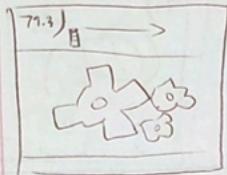

Close Up shot of my phone showing 6:01pm "WALFART CLOSED" Then you hear the machine gun

Close Up following the Bullets going through the Wall

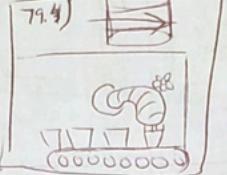

Similar to 59, Door & Wall fall down, I'm standing there with the machine gun

79.3)

79.4)

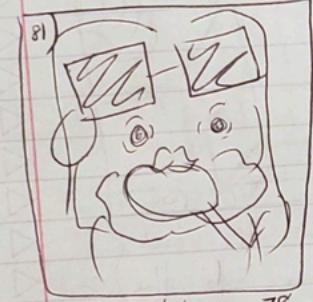

80)

Camera pans right,
Zombie now (liquid)
gears moving / faster
whistle sound
happens

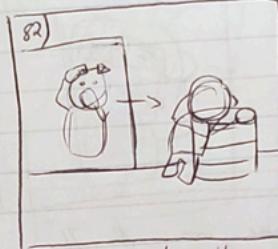

Camera pans
right, then smashes
comes out of top
and liquid pours
into the cup

Close Up of the
cans with liquid
sprayed in,
you can see the
label now says
SPLATTER HEAD

81)

Same shot as 78,
now I'm about
to throw up, I
have my head
on my mouth

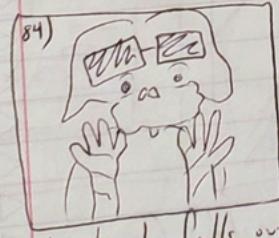

82)

I turn to throw
up next to the garbage
coughing it all
out

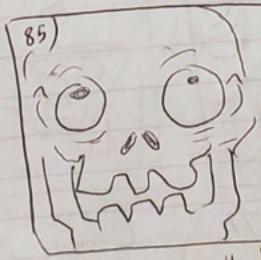

83)

I look at my
hands, Pov, they
are turning
green like the
Zombies

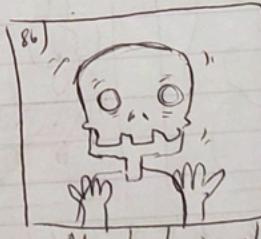

84)

My beard falls out,
my neck is green,
my jaw is green,
mustache gone, half face
green, hair falls out, full green

85)

My eyes roll back,
they're all white
now, blood comes
out of my mouth

86)

My head is shaking
and I'm full
zombie now, then
head tilts, and stops
